

CLIMATE CHANGE — THE TRUTH

Carbon dioxide GOING UP naturally, temperatures GOING DOWN naturally.

Demand ACTUAL EVIDENCE that carbon dioxide affects the climate.

THERE IS NONE.

Demand ACTUAL EVIDENCE that sea levels are rising abnormally.

THERE IS NONE.

Demand ACTUAL EVIDENCE about ocean acidification.

THERE IS NONE.

Demand ACTUAL EVIDENCE that polar bears are going extinct.

THERE IS NONE.

Ask your local MP

for EVIDENCE that the UN's IPCC is a SCIENTIFIC organisation.

**CARBON DIOXIDE DOES NOT AFFECT OUR CLIMATE
BECAUSE IT CAN NOT POSSIBLY DO SO!
YET POLITICIANS ARE DEBATING TO CONTROL
THE CLIMATE FOR YOU – HOW CAN THEY?**

Take great care of our precious planet, but don't be bullied into reducing your carbon footprint in order to stop climate change.

It won't make the slightest difference except to greatly increase your tax and energy bills.
